

'Le Reve' Theater Restyled in March

February 21, 2007

Theater Experience Evolves With Environmental Redesign and Introduction of VIP Indulgence Package

LAS VEGAS, Feb 21, 2007 /PRNewswire via COMTEX News Network/ -- With the evocative spectacle, "Le Reve" (The Dream), Wynn Las Vegas has redefined both the traditional theatrical experience as well as the place in which it occurs. Inspired by the casual elegance of the resort it calls home, the "Le Reve" theater environment will be completely remodeled with a warmer palate, the most luxurious seats on the Las Vegas Strip and a VIP Indulgence Package complete with champagne bottle service and live, behind-the-scenes video monitors.

The restyled "Le Reve" Theater interior is designed by Mark Fisher and Roger Thomas. The surroundings are soft and warm with rhythmic decorative flourishes inspired by Art Nouveau floral motifs that introduce elements of beauty and sophistication. Shadows and echoes of exquisite reds and golds fall across this 'theater of tomorrow' as if in a dream, where the audience is never more than a few rows from the spectacle.

Le Reve will go dark during the eight million dollar renovation period starting March 6. When the show reopens on April 5, the 1606 seats (down from 2087) will provide a more comfortable and luxurious space for the entire audience. Luxe fabrics, plush chairs and a warm blend of cocoa, bronze and deep reds complete the feeling of elegance and style.

And for those craving the ultimate in luxury, the VIP Indulgence Package offers an evening of extravagance with complimentary champagne bottle service; chocolate covered strawberries; generously-scaled lounge seating with plenty of leg room; and private video monitors providing up-close imagery and live glimpses behind-the-scenes during the show. In addition, package holders will experience the prestige of exclusive opportunities at Wynn Las Vegas with a "Privileged Access" pass for dining and entertainment on the day of the performance. The VIP Indulgence Package is generously priced \$159 per person and is limited to less than 100 seats per show.

"Le Reve" offers breathtaking performances in an intimate aqua theater in-the-round. With seats no more than 12 rows from the stage, the theater provides an intimate setting which allows the audience to escape reality and let their provoked imagination lead the way. The show features aerial acrobatics, provocative choreography and artistic athleticism. Live music and elaborate special effects immerse the audience into a world of fantasy, adventure and intrigue. "Le Reve" was created by DRAGONE, whose signature brand of visually stunning and innovative entertainment is at the core of the production.

Starting with performances on April 5, "Le Reve" will be priced at \$99 (Splash Zone), \$119 (Premium Seating) and \$159 (VIP Indulgence Package in the Champagne Circle). The show schedule has also been modified to 7:00 p.m. and 9:30 p.m. on Sunday, Monday and Thursday; 8:30 p.m. on Friday; and 8:00 p.m. and 10:30 on Saturday. The show is dark (no performances) on Tuesdays and Wednesdays. For more information on "Le Reve" or to make reservations, please visit www.wynnlasvegas.com or call 702-770-WYNN. Information and reservations are also available at the Wynn Las Vegas ticket office.
